

The logo for Rainforest Moving and Storage features a large, stylized green letter 'R' on the left. The 'R' is designed to look like a rainforest tree with several blue water droplets falling from its branches. To the right of the 'R', the word 'ainforest' is written in a green, sans-serif font, with the 'a' being lowercase and the rest uppercase. Below 'ainforest', the words 'Moving and Storage' are written in a larger, bold, green, sans-serif font.

## **Packing Tips:**

- Give yourself lots of time to pack. (It's never too early to start Packing.)
- Seal your boxes with packing tape.
- Use plenty of inkless packing paper to protect your **breakables**. (Printed paper can rub off and stain your valuables)
- Clearly mark **FRAGILE** on all boxes with breakables.
- Do not over-pack boxes. Over-packing may cause items to be damaged during transport
- **Delicate Items** should be placed at the top of the box.
- To save space, place smaller items inside larger ones. (i.e. cutlery inside a large pot.)
- Mark each box with its contents and the room, in your new home, that you would like it taken to.
- **China, stemware, flatware**, are best packed vertical in small boxes marked **FRAGILE**.
- **Toys** can be bundled in medium or large boxes.
- To save time, **bed frames** should be disassembled prior to moving day. (Rainforest Moving will happily take your beds apart for you if you are unable to do so.)
- **Picture Frames** and **Mirrors** should be packed in flat picture boxes, or wrapped in bubble wrap.
- All **armoires** and **dresser drawers** should be empty for transport.
